

WILSON PROPOSAL TO COAL MINERS REJECTED

Means Half Million Men Will Quit Work on Nov. 1.

THIS ISSUES FINAL CALL

WASHINGTON, Oct. 24.—Efforts of Secretary Wilson to avert the coal miners in the competitive fields failed to bring the miners back to work. President Wilson said that the rejection by the miners of the two scale plan was a serious blow to the government's policy of conciliation.

L. Lewis, president of the Mine Workers of America, said after the break up of the conference that the strike would occur November 1 as called for by the miners.

The operators announced they had accepted the president's offer to wipe the slate and negotiate a new wage agreement. The miners charged the operators had bolted at the consent of Secretary Wilson.

VOTING POWER AMENDMENT UP FOR VOTE TODAY

Johnson Proposal Debated in Senate Friday.

WASHINGTON, Oct. 24.—After another day of debate on the Johnson amendment to the peace treaty, Senate leaders said tonight that the proposal to bring the proposal to a vote tomorrow, they were by no means certain the plan would succeed.

To this end they set the meeting an hour earlier than usual.

During most of today's session, the debate dragged along without much show of interest, but just before adjournment the undercurrent of bitter feeling cropped out in a sharp exchange between Senator Johnson, author of the amendment, and Senator Hale, Republican of Maine, opposing it.

Declaring that the amendment, which proposes in effect that in any decision by the league of nations the United States shall have as many votes as Great Britain and her colonies would not in actual earnings insure equality in the league, Senator Hale had argued that better results could be accomplished by a reservation on the subject. He alluded to Senator Johnson's plea yesterday that his amendment represented the viewpoint of Americanism and continued:

"Let me say to the senator from California that the motives of those opposing his proposal are every bit as high as his motives. I am just as much interested as he is for equality in the league, but I believe in meeting it with a reservation which will remedy it, rather than with an amendment which will not."

Sensor Johnson replied that the opposition seemed to him to be based on an unwillingness to go even as far as his amendment would go, rather than on a fear that it did not go far enough. He repeated that he considered it an embodiment of Americanism and added that before the subject was closed, senators would have an opportunity showing where they stood on another amendment which would go far enough to suit anybody.

"I am glad," retorted Senator Hale to see the senator set as a test of Americanism his own amendment, but I cannot accept that test for myself. If he has any question of my patriotism, he is welcome to it."

During the session Senator Shields of Tennessee, a Democratic member of the foreign relations committee spoke for an amendment or reservation to equalize the league voting strength and Senator Gronna, Republican, North Dakota, made a three hour attack on the treaty and the league. Tomorrow Senator Lodge will speak for the Johnson proposal.

Industrial Situation

WASHINGTON, Oct. 24.—Outstanding developments today in the industrial situation were:

Efforts to Settle Miners' Strike Fails.
Failure of efforts of Secretary Wilson to mediate the threatened strike of bituminous coal miners despite an appeal by President Wilson that the negotiations be continued and that if they failed both sides submit their case to a board of arbitration.

Gompers Calls Great Labor Parley.
Announcement by the American Federation of Labor that a conference would be called here in the near future at which the heads of the 112 international unions affiliated with that organization would discuss plans for the conduct of disputes now in progress and those impending.

Industrial Conference Adjourns.
Final dissolution of the national industrial conference called by President Wilson with a view to establishing a basis for industrial peace.

Steel Workers Seek Financial Aid.
Preparation at American Federation of Labor headquarters here of letters to the affiliated unions over the country urging moral and financial support to the striking steel workers.

Wilson Turns Great Labor Attention To Parley Called For Near Future

WASHINGTON, Oct. 24.—Intervention by President Wilson today in the impending coal strike thru a message to the conferring miners and operators brought about a belief in official circles that he had made definite progress to recovery.

The situation resulting from a deadlock in the coal strike conference was not brought to the president's attention until after noon and within three hours his appeal for continuation of negotiations was in the hands of Secretary Wilson.

This participation in a public matter on such short notice coupled with the daily bulletins announcing continued improvement created at the white house an atmosphere of optimism.

Rear-Admiral Grayson, however, insisted that his patient's strength should not be overtaxed with the result that the prohibition enforcement bill and Attorney General Palmer's opinion on it, sent to the white house yesterday were withheld from Mr. Wilson's attention.

The other public act of the president today was the granting of commutations and pardon of six appeals that had come from the attorney general's office.

In his night bulletin Dr. Grayson said:

"The president has had a good day. Due to the illness of President Wilson the stay of the Prince of Wales in Washington set for early next month will be somewhat shortened. It was learned tonight. The visit of the prince, it was said by officials, probably will correspond in length with that of King Albert and Queen Elizabeth of Belgium, who will spend three days here next week."

HOPPE RETAINS 18.2 CHAMPIONSHIP
NEW YORK, Oct. 24.—Welker Cochran of Detroit won two games today in the national 18.2 baltline championship billiard tournament. In the first he defeated the veteran George Slosson of Boston finishing the game in the tenth inning with a new world record run of 265. This beats all previous baltline records where the championship title was involved. Cochran tonight defeated Young Jack Schaefer by 400 to 257. In doing so he left the championship title safe for Willie Hoppe. Had Schaefer won tonight's game he would have had a chance to tie in the final match tomorrow night.

Earlier in the day Hoppe won his fifth consecutive victory when he defeated Slosson.

Cochran's average, 26 10-15; Schaefer's average 18 5-14.

MESSAGE RECEIVED FROM JENKINS
HARTFORD, Conn., Oct. 24.—William Oscar Jenkins, American consular agent at Puebla, Mexico, has written his wife that the hands who captured him last Sunday and are holding him for \$150,000 ransom want no money from him or the United States, but wish the Carranza government to pay the ransom.

This information was contained in a telegram received tonight by J. W. Jenkins, father of the consular agent, from Representative E. L. Davis of Tennessee who said he had information from the state department.

CONFERENCE ENDS ABRUPTLY
Charlestown, W. Va., Oct. 24.—A conference of Kanawha field miners at Cabin Creek Junction ended abruptly tonight when the diggers heeded telegrams from officers of the United Miners of America to return to work. They left immediately on the Cabin Creek train for their homes.

According to reports from Governor John J. Cornwell's office, the miners were to consider tonight's session the question of organizing the Guyan Coal Fields in Logan county.

FIND PUBLISHERS GUILTY
New York, Oct. 25.—After deliberating more than two hours, a supreme court jury early today (Saturday) returned a verdict of guilty against Gust Alonen and Carl Plavio, charged with criminal anarchy thru publication in the Finnish paper "Class Struggle" of articles urging the overthrow of government.

BROAD PLANS OF BOLSHIEVKS IN U. S. GIVEN

Organization Started to Take Over Government.

WASHINGTON, Oct. 24.—Followers of Lenin and Trotsky in the steel city of Gary, Ind., now under military control as a result of violence during the steel strike, grew so bold this summer that they attempted organization of a "Red Guard" with discharged soldiers as armed force. Lieutenant Donald C. VanBuren, a military intelligence officer told the senate labor committee today in resumption of its inquiry into the walkout of steel workers.

Lieutenant VanBuren who is on the staff of Major General Leonard Wood in command of the troops in Gary, laid before the committee scores of pamphlets, circulars and propaganda, along with records of the statements of men arrested after the beginning of the military occupation to back his assertion that agitators in the steel city were urging the workers to get ready to get prepared to take over the industries and the government and run it themselves.

Oscar E. Anderson, chairman of the steel workers' council at Gary put in a stout challenge of most of VanBuren's statements before the session closed.

"You consider this a strike for eight hours and a living American wage?" Chairman Kenyon began. "Don't you think you would get further before the public if you got rid of these Reds, purged your organizations completely of them, and went ahead without them?"

"Yes, Mr. Anderson," Senator McKellar interjected, "why don't you pitch them out? This committee has sat here and listened to anarchists who have been taken into council on your strike matters and heard them boast of it. We've followed Mr. Foster's history past and present (he was speaking of William Z. Foster, general secretary of the strike executive committee) and men like that clear up at the top of your organizations. Don't you know this prejudices the public wholly against you and your cause?"

"Yes, I do," Anderson responded. "But you can't tell how these men are affected when a strike actually comes along. We don't make religious and political distinctions in calling a strike."

The whole issue in the strike Anderson said, was the eight hour day.

Lieutenant VanBuren's testimony was detailed and frequently furnished by direct reading from transcripts and documents. Hungarians and Russians in Gary, particularly he said, were being attracted by the radical movements, communist, anarchist and I. W. W.

The committee will continue its inquiry tomorrow with more witnesses from Gary.

CIGAR MAKERS VOTE TO RETURN TO WORK
New York, Oct. 24.—Twenty-five thousand cigar makers and packers will return to work Monday, ending the strike here which has been in progress for twenty weeks. By a seven to one vote the workers have accepted a ten per cent wage increase and a promise agreement giving employers the hire and fire right.

With factory committees free to insure against unfair discrimination. An average wage increase of 17.1-2 per cent was originally demanded.

MEETING OF STRIKERS
Pittsburgh, Pa., Oct. 24.—More than one thousand steel strikers of Glassport, Pa., met at the Knappa Hotel tonight to hold a meeting today on a hill near Glassport, according to the state police, who forced the men to disband. Two state troops received a report that the meeting would be held and they said about 1,000 men had gathered on the hill when they arrived.

Many shots were fired on them without effect by members of the crowd the two troopers reported.

ELECT OFFICERS
Decatur, Ill., Oct. 24.—Quincy was selected for the 1920 convention of the State League Building and Loan associations here today. S. M. Owens of Mattson, was elected president with other officers as follows:

First vice-president—Adolph M. Chicago.

Second vice-president—John C. Chicago.

Third vice-president—E. D. McCulloch, Peoria.

Treasurer—O. W. Walkup, Galesburg.

Secretary—M. E. Vasey, Quincy.

"BABE" RUTH WANTS \$20,000 NEXT YEAR

BOSTON, Oct. 24.—George P. ("Babe") Ruth, world champion home run hitter of the Boston Americans said before leaving for Los Angeles tonight that he would demand \$20,000 salary next year.

LONDON PAPERS COMMENT ON DEFEAT OF LLOYD-GEORGE

LONDON, Oct. 24.—Political experts and the editorial utterances in the newspapers this morning generally express the view that no one expects the government to resign as a result of the adverse note in the house of commons yesterday and the circumstances of the defeat of Lloyd George's amendment in no wise need entail such a step. The incident however, is regarded as one which has given the administration a severe shock, a repetition of which it could hardly survive.

The vote is generally described as an assertion of the independence of the house of commons and a revolt against the alleged dictation of ministers determination to reassert the supremacy which the commons surrendered to the cabinet during the war.

More than 100 supporters of the coalition, among whom Sir Edward Carson was conspicuous, voted against the government. These represented the intense anti-alien feeling prevailing among the conservative coalition and the fear that the government is trying in the present stage of the bill to amend amendments which those hostile to aliens secured in the committee stage.

Some surprise is expressed that the labor members and the so-called free radicals joined in the vote against the government on this issue, thereby identifying themselves with the anti-alien faction, contrary to the avowed principles of their leaders.

It is believed in some quarters that the government on Monday will ask the house to reconsider their vote. It is contended that unless the house of commons revises yesterday's vote the government will be compelled to denounce the convention between Great Britain and France in 1919 and incur the reproach of treating the combat as a scrap of paper.

The whole issue in the strike Anderson said, was the eight hour day.

Lieutenant VanBuren's testimony was detailed and frequently furnished by direct reading from transcripts and documents. Hungarians and Russians in Gary, particularly he said, were being attracted by the radical movements, communist, anarchist and I. W. W.

The committee will continue its inquiry tomorrow with more witnesses from Gary.

TROOPS WILL REMAIN AT GARY
CHICAGO, Oct. 24.—The only big development in the steel strike in the Chicago district today, was the decision of Major General Leonard Wood to keep federal troops at Gary, Ind., indefinitely.

General Wood's decision was reached after a conference with Colonel W. C. Mapes in immediate command of the soldiers and civil authorities. While no official announcement was made as to why Mayor Rodgers did not desire the removal of the soldiers at present, it was intimated that the troops might be the signal for renewed outbreaks among the more radical strike sympathizers.

An official of the Gary mills said today that there was little likelihood of the employment of large additional bodies of steel workers in the face of the threatened strike of coal miners.

Officials of the Wisconsin steel and iron company, an independent plant, said today that their plant was operating at almost 100 per cent.

NEW YORK ADOPTS DAYLIGHT LAW
New York, Oct. 24.—Mayor Hylan today put New York on a daylight saving basis despite congressional repeal of the national daylight saving law. He announced his official approval of a new ordinance providing that city clocks be turned ahead an hour at 2 a. m. on the last Sunday in April and turned back on the last Sunday in September.

PRINCE OF WALES VISITS WINDSOR
Windsor, Ont., Oct. 24.—The prince of Wales, accompanied by his wife, visited Windsor and near by border cities this forenoon with a sight seeing tour, the bestowal of decorations on a score or more war veterans and a memorial service at All Saints church.

AUTO DEATH TOLL IN CHICAGO LARGE
Chicago, Oct. 24.—Deaths in Chicago caused by automobiles during 1919 today mounted to 337 with the deaths last night of three persons struck by motor cars.

ON WAY TO AUSTRALIA BY AIR
Cologne, October 24.—Captain George Matthews, an English aviator who left London Tuesday for an airplane flight to Australia, arrived here Wednesday afternoon.

All Attempts to Prevent Dissolution of Parley Fails.

WILSON MAY RE-ORGANIZE

WASHINGTON, Oct. 24.—With a recommendation to President Wilson that he create a commission to carry on the work which the national industrial conference was unable to accomplish, the public group finally adjourned tonight.

Despite two attempts by Mr. Wilson to save from dissolution the gathering, tonight's adjournment brought to a formal close the conference, called by the executive to find some common ground of cooperation between labor and capital in the outcome of which were held in advance strikes affecting the entire industrial life of the nation.

Report of Public Group.
The report of the public representatives declining to assume the task for which the original gathering was called, was transmitted to the white house thru Chairman Bernard M. Baruch in the form of a thousand word letter. No information was forthcoming from the white house as to the president's next move.

Also not made public it was learned that the report summarized the proceedings of the fourteen days conference was in session, but the stamp of approval on the plan for industrial boards suggested by Secretary of Labor Wilson and recommended the calling of another body containing industrial experts to undertake the necessary adjustment. It was drafted by a committee of five delegates of which John D. Rockefeller, Jr., was chairman. Although four or five conferences were proposed to final adjournment only Dr. Charles D. Eliot, president emeritus of Harvard University, voted against the motion on final vote.

Delegates urged that the high cost of living and other problems be pressed for immediate solution but a strong majority of the representatives it was said felt that the conference virtually came to an end with the withdrawal of the labor group Wednesday and that the public group was not sufficiently representative to undertake a general program.

Secretary's Plan.
The industrial boarding plan of Secretary Wilson, which met with favor among the delegates, provides for boards of employers and employees in each industry, an umpire chosen by the parties to the dispute or from a standing list of twenty named by the President.

Several public representatives were not present at the final session of the conference. H. Gary, chairman of the United States Steel Corporation, went to New York Wednesday noon and did not return and J. J. Forrester, president of the Order of Railway Clerks withdrew following similar action on the part of the representatives of Organized Labor.

Secretary Lane who first suggested the industrial conference and who was selected as its chairman said today he believed the president would organize a new conference which would endeavor to bring about a basis for industrial peace.

Mr. Lane said the industrial disputes which have been held in abeyance pending the outcome of the original conference probably would not and should be further postponed.

Officials of the American Federation of Labor however, were not so optimistic as to the disputes. They explained that labor generally has not been optimistic as to the results of this effort to bring about industrial peace and they were inclined to the belief that nothing was to be gained by further delaying the issues.

CHARGE COTTON BROKER WITH EMBEZZLEMENT
St. Louis, Mo., Oct. 24.—Charles M. Mulligan, a local cotton broker tonight was arrested for the alleged embezzlement of \$160,000 from a local bank. It is alleged that Mulligan borrowed money on forced bills of lading for purported shipments of cotton from the south.

A HUGE TASK

John D. Rockefeller Jr., has a man's job. He has been commissioned by the public's representatives at the industrial conference to write a "treaty" which will properly summarize the relationships between employers and employees. Mr. Rockefeller is expected to work out some plan which will be mutually satisfactory both to capital and labor in their relationships. May peace be with him and Omnipotence guide his course aright.

TAKE A LOOK

Illinois newspapermen, represented by a committee of the Illinois Press association, find nothing to approve in the three public policy questions that will be submitted in the election Nov. 4. The initiative and referendum proposal has called for criticism because its provisions would give advantage in bringing about any desired legislation.

In ten years it is estimated that Cook county will have more voters than all the rest of the state, and under the initiative and referendum as proposed there would

be no trouble about Cook county running the state. It is likely that the Illinois Agricultural association had this in mind when it passed a resolution declaring the initiative and referendum would be bad for the farmer. As already indicated in these columns, it will be well for the people to study these public policy questions before giving their support at the election.

MR. WHEELER A

GOOD BUSINESS MAN
George Wheeler is the Republican candidate for member of the county board. Mr. Wheeler has much to recommend him for the position he is now seeking. In the management of his own business, that of farming, Mr. Wheeler has been successful. As a resident of a rural community he knows something about the requirements of the county in the various road districts, and has a right conception of business problems that the county board must meet. Voters can properly give Mr. Wheeler consideration at the polls Nov. 4.

IT'S A GOOD CAUSE

The Y. M. C. A. campaign for funds is moving along in a fairly gratifying way. This means that the goal of the county in the various road districts, and has a right conception of business problems that the county board must meet. Voters can properly give Mr. Wheeler consideration at the polls Nov. 4.

NEW METHODS MAY COME

The strike of printers in New York and the inability of magazines to publish has at least made a good demand for "back numbers" of magazines and every news dealer has been able to clear his shelves and counters. As "necessity is the mother of invention" so out of this strike there may come a new method of magazine publishing.

The Literary Digest was one of a number of publications issued without type being set. The subject matter was written on type-

writers, then this was photographed and plates made by the usual process and the printing was done from the plates. There are of course disadvantages in this method by comparison with setting type, but it does show that "where there's a will there's a way," and some revised method of publication by magazines may result.

EVERYBODY IS DOING IT

Back in an eastern city pupils in the public schools have gone on a strike, not for shorter hours but because they and their parents objected to the removal of a certain principal. There is no getting around it, there is something contagious about this matter of strikes. "Everybody is doing it" and perhaps it would be just as well for the movement to run its course and get the strike fever out of the public's system.

NOT DISCONCERTING

The railroads, it is said, must have another freight increase of 25 per cent in order to meet the expense of methods that government operation has brought into effect. Oh, well, an increase of 25 per cent doesn't sound nearly as onerous as 5 per cent a few years ago. The public is just as hardened to dealing in increased percentages as applies to living costs as congress is in talking about billions.

NOT A BEGGAR MAN

Give it to the Englishman on one point. When it gets down to doing business he is not likely to ask the world for special favors.

This week there is an international trade conference at Atlantic City. The Englishman at the opening session of this gathering took the floor long enough to disabuse our minds of a few fallacies we have taken on.

He told that England is not asking special credit arrangements, neither does it care for governmental intervention. He told that the Englishman isn't exactly strapped in the market place.

On the other hand the Englishman still finds himself in position to bargain as should a man who can pay cash and carry the goods away with him. It is true he has a big war debt, but he owns most of this himself. Also he continues to have investments of fifteen billion dollars in the world abroad.

Under these conditions and

circumstances he will try to make out without asking special favors. The thing he does ask is that other folks be cheerful, that he be speeded up; and then he will take his chances without grumbling or begging.

Rippling Rhymes
By Walt Mason

CHEER UP AGAIN
We say the prices now are high, do high we're often stricken dumb; we shudder when we go to buy; cheer up, the worst is yet to come! The shoemen say there are no hides, and daily leather grows more rare; and so the price of footwear slides ten parasangs up in the air. The clothiers say there is no wool, the sheep are dead and on the ice; it takes some influence and pull to get a suit at any price. The bakers say there is no flour, and so the children have no bread, and we are weeping every hour because our hopes are lying dead. The barbers say there are no barbs, and we must let our whiskers grow until they spread like noxious verbe, and wave and wiggle to and fro. The grocer says he cannot groce for less than ninety-five per cent; he sees the sheriff drawing close when profits sink, is his lament. And so things go, from day to day, the whole blamed world is out of plumb; but let us all be blithe and gay; cheer up, the worst is yet to come, and then the slump, the big reaction will appear, and we will carry to the dump the pirate and the profiteer.

Matrimonial

Buscher-Alhorn.

Thursday evening at the residence of Mr. and Mrs. Henry Alhorn in the vicinity of Meredosa occurred the wedding of their only daughter, Miss Louise to William Buscher of this city. The ceremony was impressively performed by Rev. Mr. Batthauer, pastor of the German Lutheran church in the presence of sixty-five guests.

The bride was tastefully arrayed in a costume of white silk trimmed with georgette crepe and carried bride's roses. They were accompanied by the bride's brother, Hugo Alhorn, and the groom's sister, Miss Dina Buscher, who was neatly arrayed in a dress of pink crepe and carried roses.

The decoration scheme of the house was pink and white and was very beautiful.

The bride is the only daughter of Mr. and Mrs. Henry Alhorn, prosperous residents in the vicinity of literary and is a young lady of literary and musical education. She stands high in the community in which she lives.

The groom is in the employ of Howard Zahn at his garage on east Morgan street and is an industrious, upright, and worthy young gentleman and young people begin the journey of life under favorable conditions. They will soon go to housekeeping in a home prepared by the groom on South Clay avenue.

W. D. COLE GOES TO
HIGHER POSITION

Auditor in Railway Company Officially Appointed Auditor of Illinois Traction System's Kansas Properties—Local Employees Show Their Appreciation.

W. D. Cole who has been auditor for the Jacksonville Railway and Light Company has been promoted to a higher position and will leave this morning for Topeka, Kans., where he will hold the position as auditor for the Illinois Traction System's Kansas properties.

Mr. Cole came to the local office from Urbana May 30, 1917 and has proved most capable in his work. He has been with the Illinois Traction System for thirteen years and was appointed to his present position by B. E. Bramble, general auditor of the system, located at Champaign.

The new position is a distinct promotion for Mr. Cole and not only shows that he stands high in the opinion of his superior officers but that he is also efficient in his work.

As an evidence of the esteem in which Mr. Cole is held by his fellow workers in the local utilities, the employees gathered at the main office yesterday and presented him with a gold chain and gold knife.

H. Litterer who has been associated with the local office for a number of years and who also was employed in the company's office in Des Moines, Iowa, will succeed Mr. Cole as auditor in the local office.

Speaking of Mr. Cole yesterday, Mr. Gray, general manager of the local utilities said that while he valued Mr. Cole's services highly yet he was glad that this deserved recognition had come to him. He was confident that he would make good in his new work as he had in every position which he had filled since he became associated with the system.

CARITAS REBEKAH
LODGE HOMECOMING

Annual Supper and Homecoming Entertainment for Returned Soldiers Held Friday Night—Brief Program Given

Caritas Lodge No. 625 Rebekahs held its annual supper and homecoming celebration for returned soldier members in their hall on West State street Friday evening.

There was a large attendance and the occasion proved one of great pleasure. The dining room was beautifully decorated with the national colors and fall flowers. The table decorations also were in keeping with the other appointments. At the table reserved for the soldiers were place cards with the name of the soldier which were attached to American flags. The center piece was a blending of the inter-allied flags.

Following the supper Mrs. Myrtle W. Tandy in behalf of the lodge delivered an address of welcome in which she referred feelingly to the service rendered by the soldiers to their country. She said that Caritas lodge was proud of their achievements and glad to honor them.

A brief program was then given followed by a social hour and dancing program.

Vocal Serenade, Miss Armstrong. Violin obligato by Miss Anna Frances Bradley.

Jean, By Stanton—Miss Armstrong. Accompanist Miss Hughes. The soldiers who are members of the lodge and were guests of honor on this occasion are: J. E. Austin, Clyde Black, R. R. Buckner, Dillon Bridgeman, Russell Ogde, Lloyd Ogde, Robert Reid, Oscar Smith, Carl Weber, Harold Young, Walter Busey, Harry Barnes, F. D. Phillips, Emmett Miller, Everett Reynolds, Mr. Rossiter also was a guest of the lodge.

When the guests had assembled at the tables Mrs. Ella Watson Reeve said grace.

The committee in charge follows:

DISCUSSES CARE OF
STATE'S INSANE WARDS

A. L. Bowen, State Superintendent of Charities, Makes Plea For Understanding by Public of Work State is Doing For Unfortunates.

Decatur, Ill., Oct. 24.—Speaking here tonight before the Illinois conference of charities and corrections, A. L. Bowen, state superintendent of charities, said while the country "seethes with unrest" it is the "insane who preserve their equanimity and are our only sane citizens." He was making a plea for understanding by the public of the work the state is trying to do for the unfortunates of society suffering with mental ailments.

"The public must realize," said the speaker, "that the insane are not dangerous and violent, that they are not criminal or given to criminal tendencies, that under favorable conditions they will conduct themselves better than many elements of our boasted civilization which so often run amuck, burn their own court-houses, destroy their own cities, tear men to pieces and burn the severed members in public bonfires."

"The feeble minded are simple folks, good hearted, mild in manners, tractable, often physically strong and capable of doing good work."

One of the lessons of the war, Mr. Bowen said, was that the insane and feeble minded do not require walls and fences, guards and grated windows as a protection for society. "As a class," he said, "the insane and feeble-minded served the country during the war without expectation of reward."

"If mental disease manifest itself in the inadaptability of the patient to adjust himself to the community as others do," said Mr. Bowen, "then the logical thing to do is to create a simple, easy environment in which the demands upon him will be equal to his power to adapt himself to changing situations. Hence the future hospital for the mental case will not be a huge stone and brick castle bristling with iron bars and metal bound doors behind which huddle human beings in chains, cuffs and idleness but rather a simple community, set apart, in which there will be every employment, every avocation and amusement; where there will be the opportunity for the patient to do something; first for his own good, then for the good of others; where in short, there will be life worth living, bearing its blessing and fondly protecting the weak and the needy."

In closing, he said: "Violators of the law on their release from prison" said Mr. Bowen "are not only shunned but their freedom made so absolutely intolerable by Christian society that their reformation could well be claimed a miracle. Crime continues and grows in this country today," said he, "because society by its ignorance never permits a criminal to rise."

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach trouble.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel! Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

What is Rheumatism?
Why Suffer from

Sufferers Should Realize That It is a Blood Infection and Can Be Permanently Relieved

Rheumatism means that the blood has become saturated with uric acid poison.

It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than that, down deep into the blood where the poison lurks and which is not effected by salve, and only

It is important that you rid self of this terrible disease. It goes too far. S. S. S. blood purifier that has stood the test of time, having been constant use for more than years. It will do for you what has done for thousands of drive the rheumatic poisons from your blood, making it pure, strong, and enabling it to do you well. S. S. HOG SALE

of the
Morgan County Breeders' Association

To be held at the Tony Frank barn on North Main Street
Rain or Shine, Next

Wednesday, Oct. 29

Duroc-Jerseys, Poland Chinas, and Berkshires will be offered. A rare opportunity to get good value in breeding hogs at reasonable prices.

31—DUROCS—31

22—POLANDS—22

2—BERKSHIRES—2

Spring boars, spring gilts, aged sows, and summer gilts make up the offering. Way & Fairbanks, Austin Patterson, Ratio McKinney, W. Zahn, and W. W. Carter are listing Poland, L. A. Reed, C. V. Kinnett, Wilbur Williams, A. Brockhouse, Howard Stevenson, R. Y. Gibson and C. L. Hawker are listing Durocs and Nichols and Son list the Berkshires. Good, serviceable hogs are cat-looked, and if absorbed locally they will help materially setting such a high standard for the hog men of Morgan County that the buyers in the markets will begin to look for an "Morgan County hog." The purebred hog is the one way to beat the game when low prices are ruling at the market, for purebreds are easier to handle, cheaper to grow and put on more pounds of fat per bushel of corn than grade and it is only by decreasing the cost of production that we can hope to meet the decrease in price paid per pound on foot.

This is a Morgan County sale, by Morgan County folks, for Morgan County folks, with Morgan County auctioneers, and the breeders selling would like for the breeders and feeder of Morgan County to get the benefit, so be on hand next Wednesday at the Tony Frank barn on North Main St., at 1 p. m. Catalogues may be had at the office of the County Agent at the Court House, or one will be sent to an address upon request by any of the breeders mentioned.

Happy Mothers

Many mothers who in order to keep the home neat and attractive, the children well fed and dressed, continually overdo.

The experience of motherhood alone causes a severe strain upon the system, from which many women recover slowly, and serious feminine disorders may develop unless great care is taken to prevent them.

To such women Lydia E. Pinkham's Vegetable Compound is invaluable. For many years this root and herb medicine has been recognized as the standard remedy for woman's ills, restoring them to a normal, healthy condition.

Mrs. Morgan's Case

East Hampton, N. Y. — "For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, CARE OF E. L. Deneett.

A Word to Childless Women

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in many cases would readily yield to Lydia E. Pinkham's Vegetable Compound.

Such women should not give up hope until they have given this wonderful medicine a trial.

Social Events

Mrs. S. T. Erickson is given birthday surprise. Mrs. S. T. Erickson was pleasantly surprised at her home, 1022 West Lafayette avenue, Friday evening by twenty-five relatives, the occasion being her birthday anniversary. The self invited guests took their own refreshments and a splendid supper was served and thoroughly enjoyed by all. Mrs. Erickson was the recipient of a number of gifts.

South Side Circle Met With Reauch.

The South Side Circle held its regular meeting with Mrs. W. T. Reauch, 918 West College avenue Friday afternoon with a good attendance of members. The regular business session was held and a splendid paper on "Markets of the World," was presented by Mrs. Lent. During the social hour which followed the hostess served refreshments.

Gleaners Class In Regular Meeting.

The Gleaners Sunday school class of Ebenezer church met Wednesday at the home of Miss Ella Blackburn. The roll call was answered followed by the reading of the minutes of the last meeting. Business was then transacted. A short program was given and a social hour enjoyed. Delicious refreshments were served. The next meeting will be held at the home of Mrs. Clyde Cooper.

Unity Workers Met Thursday Afternoon.

Members of the Unity Workers met Thursday afternoon at the home of Mrs. Carrie Glasgow for the regular meeting. Owing to the unfavorable weather conditions, only about twelve members were present. After the devotional exercises business was transacted and the new committee for November and December was named as follows: Mrs. William Colton, Mrs. J. C. Colton, Mrs. James Devore, Mrs. Dowling, Mrs. George Cunningham, Mrs. B. Craig. The hearty thanks of all were extended to the retiring committee for their work in a financial way. The new committee will serve dinner at the home of Mrs. Thomas Butler Oct. 30, and everyone is cordially invited to come.

After various business matters were disposed of, the meeting closed with a short benediction.

Sophomore Class of High School Give Halloween Party.

Mirth, merriment, hilarity, mystery and fun generally prevailed at the David Prince gymnasium last evening on the occasion of the Sophomore Halloween party. The floor was strewn with leaves and all entered fully into the spirit of the evening. The costumes were varied, ingenious, humorous and wonderfully prepared generally and many of them were quite elaborate, especially those of the young ladies. Clowns, kings, queens, country bumpkins, grave and reverend people, even persons from quarters unknown, all were represented and identity was simply impossible to designate at all.

Finally all unmasked and Miss Virginia Cummings received the first prize for best costume and Miss Helen Dinwiddie the same for the funniest, though the decision was hard to make.

Then followed an athletic meet representing the universities of Yale, Harvard, Princeton, Columbia and Yale won.

Nice refreshments consisting of superb doughnuts and other good things were enjoyed and then followed all manner of games and stunts. The lights were extinguished, a sheet suspended across the state, a candle held back of it and various ones passed in front of the light and those below were asked to name the person which was generally done guessing from the shadow on the sheet.

Prizes were told and a general good time was enjoyed. Mrs. Candee, class adviser was general chaperone and other teachers were also present to lend their aid to making the affair the great success it was.

SPECIAL NOTICE Waldo Stein, Barney Oldfield's former mechanic, added to the laurels already won on tires manufactured by the company of which the former Speed King is president.

Finishing in the money at the World's Series Sweepstakes at Cincinnati, Oct. 11, Stein drove the entire 250 miles without a stop for tire changing. His car was the Oldfield Special and he averaged 95 miles per hour.

For many years Stein rode beside the "Master Driver" in many an important race and now as a driver he is a great Oldfield booster. "My car was the only one in the race to finish without a tire change," declared Stein. "The Oldfield Cords looked exceptionally good after the 250 mile grind and I believe they are good for many more."

ED EPISCOPAL RCH CONVENTION

Mr. H. M. Andre Present
at Convention Held in
Cardinal Mercier
Address.

Mrs. Harry M. Andre
returned from Detroit,
where Mr. Andre went as a
deputy of the Western
Episcopal church and
as a deputy of the Wo-
men's Auxiliary. There were
130 bishops. The
convention of the U. S.
Episcopal church is the
most important of the
Episcopal church in the
United States. The general
convention of the Episcopal
church is held every third year
and has been selected

for the next place of meeting.
There were also present de-
puties of the Woman's Auxiliary,
Girls' Friend Society, and other
bodies. The Brotherhood of St.
Andrew and the Provincial Synod
of the northwestern provinces had
met in the same place a week be-
fore.

Services Impressive.
The opening services were at-
tended by six thousand people
and in the procession of the
vested choir of the churches of
the city, numbering 250 men and
boys and these added to more
than a hundred august bishops
made a scene of impressive
grandeur. Among the eminent dis-
tinction were the Archbishop of
the Anglican communion of
Greece; a representative of the
Greek Orthodox Catholic church
of Russia; and other besides.

Many matters for consideration
were brought up. It is a rule of
the church that all legislation
passed at a session shall lie over
three years to be verified or re-
jected by the next convention so
that nothing may be done in un-
seasonably haste.

Some matters were brought up
and not adopted and many im-
portant matters received atten-
tion.

One enterprise was voted and
that is the raising of sixty mil-
lions for the furthering of all good
and worthy enterprises of the
church; home and foreign mis-
sions; needy churches in remote
fields; benevolences were deemed
wise and others.

Cardinal Mercier Speaks.
Another feature of the conven-
tion was the concord at which in
fine is an effort toward Christian
unity and bids fair to work great
good for the church as a whole.

Another stirring feature of the
occasion was a visit from Cardinal
Mercier who addressed the conven-
tion in his usual eloquent and
happy manner. He told of the
sacrifices made by his heroic peo-
ple and the love they bore the
United States for the part taken
in the great conflict. He hoped
the ties between the two coun-
tries would ever grow even
stronger. He spoke beautifully of
Christian unity and urged the fact
that we are all one brotherhood,
serving the same Master and seek-
ing the same upper and better
land.

Mr. Andre Judge Gilbert of
Cairo, and D. G. Swan of Cham-
paign were deputies from the
diocese of Springfield.

LABOR PARTY PLANNED FOR JACKSONVILLE

Working Men Met at Labor Tem-
ple Thursday Evening and Dis-
cussed Organization—Another
Meeting to be Held Oct. 30.

At a meeting of labor represen-
tatives held in Labor Temple
Thursday evening, preliminary
plans were made for organizing a
branch of the National Labor
party in Jacksonville.

Several addresses were made
and all the speakers strongly ad-
vocated organizing in Jackso-
nvile. Duncan McDonald has in-
dicated that he will visit Jackso-
nvile soon to take up the matter
of organizing the labor party.

The labor party has already
been organized in Bloomington,
Joliet and Beardstown and a num-
ber of labor party are holding of-
fices in these cities. In Beard-
stown at the municipal election last
spring nearly the entire labor
ticket was elected.

Another meeting will be held
Thursday evening, October 30, at
which time a committee of
eighteen which was appointed
Thursday night will make a re-
port and it is probable definite
plans will be formulated.

A GRAND OCCASION

Annual Banquet Spalding Council
K. of C., Peoria.

P. H. Loneragan has returned
from attending the annual ban-
quet of Spalding Council 247,
Knights of Columbus at Peoria.
The occasion was especially in
honor of His Eminence, Cardinal
Mercier, who graced the occasion
with his presence. It was truly a
grand affair and much enjoyed by
every one present.

The following was the pro-
gram:
Invocation—Rev. John J. Cos-
grove, Peoria.
Toastmaster—Frank J. Quinn,
Peoria.

Address—Major Gen. George
Bell, Jr., U. S. A.

Address—Lieut. Commander J.
M. Grimes, U. S. N.

Address—Hon. John F. Crosby
of Connecticut.

Greetings to Cardinal Mercier
—Rev. E. M. Dunne, D. D.

Greetings to the Cardinal—
Hon. E. N. Woodruff, Mayor.

Address—Cardinal Mercier,
Primate of Belgium.

Address—Edward A. Guest of
Detroit, Mich.

Address—Hon. John O'Brien of
Chicago.

A large number sat down at
the banquet and the occasion was
one of immense importance and
great satisfaction to all present.
Wit, eloquence, patriotism, brother-
hood, good cheer, all were har-
moniously mingled to the great
success of the affair.

Slaughter.

Miss Elizabeth Slaughter re-
ceived word yesterday of the
death of her grandmother, Mrs.
S. G. Slaughter at the Hospital for
Soldiers in Quincy, Illinois. Mrs.
Slaughter was ninety-one years of
age and has been in declining
health the last two years. Funeral
will be held Sunday at Murray-
ville, the time to be announced
later.

Burnett.

Mrs. Florence Burnett, aged 30
years, died at Passavant hospital
at 9:30 o'clock Friday morning.
Death resulted from complica-
tions.

Deceased was born in Waverly
and her entire life was spent there
where she was united in mar-
riage to Holland Burnett. She is
survived by her husband and par-
ents and one brother.

The remains were removed to
the undertaking parlors of John
H. O'Donnell and prepared for
burial and sent to Waverly where
funeral services will be held and
interment made.

LAST RITES FOR

CHARLES RABJOHNS

Funeral Services Were Largely
Attended—Dr. G. W. Miller,
Life Long Friend, Delivered
Funeral Discourse.

Funeral services for Charles
Rabjohns were held from the
residence, 118 Westminster street
at 2:30 o'clock Friday afternoon
in charge of Dr. G. W. Miller of
Woodson, assisted by the Rev. F.
M. Crabtree.

The services were largely at-
tended by Masons, friends and
relatives. Members of Hospitaler
Commandery No. 31 Knights
Templar attended in a body in
charge of Commander P. V.
Coover and Generalissimo W. L.
Shibbe.

Services opened with a selec-
tion by quartette composed of W.
W. Gillham, Mrs. A. R. Gregory,
Mrs. Abe Weihl, and John L.
Johnson.

Rev. F. M. Crabtree, Scripture
reading and prayer.
Following this, Dr. George W.
Miller of Woodson, a life long
friend of Mr. Rabjohns then de-
livered a brief funeral sermon.

Dr. Miller stated that he had
been asked to speak a few words
for one who was near and dear
to all Knights Templars. That
he had long been associated with
Mr. Rabjohns in the work of the
fraternity, and that it had been
Charles Rabjohns expressed wish
that when the time came for him
to go that Dr. Miller say a few
words for him at the funeral ser-
vices. Dr. Miller paid a high
tribute to Mr. Rabjohns, saying
that he was a man, a true man,
and a frater of high ideals.

No matter in what occupation
he was engaged he was never sat-
isfied until he had reached the
top. Speaking to the Knights as-
sembled, the speaker referred to
Mr. Rabjohns' proficiency in his
work in the fraternity and of his
interest there.

He was a commander of men
and while in the role of leader-
ship he often appeared austere,
but beneath this show of austerity
there was known to be the big
heart of the man and a sincere
sympathetic feeling. He was a
man who had high aspirations for
better things in life. We as mem-
bers of this fraternity strive to
forget the imperfections of a
brother and remember only the
good things of his life.

The speaker referred to Mr.
Rabjohns' firm belief in the
teachings of the Bible and his
firm faith in Jesus Christ. "He
professed the faith in the joining
of our fraternity and was always
sincere and steadfast in his be-
lief. And professing the faith,
he died he shall live again."

Following Dr. Miller's sermon,
the quartette rendered another
suitable selection. Dr. Crabtree's
prayer brought the service at the
house to a conclusion.

The concourse then escorted

the body to East Cemetery where
the impressive services were in
charge of Hospitaler Commandery
No. 31, Knights Templar.

The bearers were: Sir Knights,
W. Barr Brown, Clarence York,
Henry C. Goebel, M. G. Seymour,
Kenneth Schaaf and Harrison W.
King.

There were many beautiful
floral offerings and these were
cared for by Mrs. W. O. Walt,
Mrs. Frank Kitzer, Miss Nettie

Special Price on Regina Electric Cleaners This Week Only

The Model K Cleaner being made largely of aluminum, is light in weight and easily handled. The nozzle is twelve inches wide and allows of a very large air displacement, with consequent efficient results. It is so designed that it operates effectively in corners and close to baseboards and can also be used for cleaning stair carpets. The electric motor is high grade and consumes only about one cent worth of current per hour. The extreme height of the cleaner above the floor is only 6 7-8 inches, so that it can readily be used under furniture, beds, etc.

THE OBSERVATORY

Until they heard of the great quantity of sugar that is exported from this country, a lot of the victims didn't know it was loaded.

It is suggested that German army officers who desire to enter the American army to instruct Yanks how to fight might also give the Cincinnati Reds a few pointers on baseball and John D. Rockefeller some on the art of making money.

Hannibal, it is reported, has raised the pay of its school teachers 31 per cent. There are a lot of other school boards which ought to get out their Alpine stocks and follow the lead of Hannibal.

Chicago is raising a fund for a monument to Eugene Field and a statue representing "Wynken, Blynken and Nod," three of Field's immortals, is to be erected in Denver. Now guess what state Eugene Field belonged to.

A Missouri farmer committed suicide recently. He came to America from Germany a poor man, but at the time of his death owned a fine farm and \$30,000 in cash. It is thought that he took his life because he had the first dollar he ever owned and its value had gone down to forty-four cents.

It's experience with daylight saving gives a brilliant idea. It suggests that we change the calendar, call January July and thereby save many tons of coal.

What ought to be one of the world's most serious gatherings is the twenty-second annual convention of the American Mining Congress which will be held in St. Louis the week beginning November 17.

The best way to make food prices go much higher, points out the Carthage Press, is to grow panicky and try to lay in a whole year's supply.

At Last! How to Teach Brevity. The system of teaching English in the schools is all wrong says the Sedalia Capital. The teacher tells the class that each must write a description or a story or an essay that must contain not less than 300 words, and the pupils proceed to throw in so many unnecessary words to express one thought that they send it by freight instead. Their only thought is to meet the required number of words instead of seeing how much they can tell in the fewest possible words. The teachers ought to have them practice writing telegrams instead.

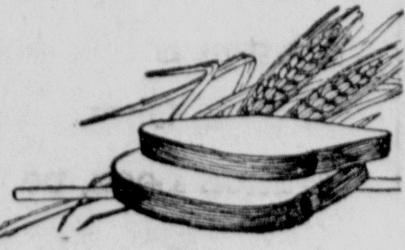

The Capital's plan would work well both ways. For how few there are who can write understandable telegrams!

Why We Have an Army. From Harvey's Weekly. The superbly efficient work of Gen. Leonard Wood and the regular army at Omaha, and at Gary, should be an impressive and effective object lesson to those who are still halting between two opinions concerning army reorganization on a peace basis.

It is a reminder that our army has after all an essential and indispensable function to fulfill in domestic affairs as well as—on remotely detached occasions—in foreign parts. Three times in this generation have our arms been called across the sea. Three hundred and sixty-five times in every year they are liable to be needed for urgent service at home.

We are not alarmists. We do not look for civil war in America. God knows there is scarcely anything that we should detest more than military rule. But we believe that the best way to prevent trouble is to be prepared against it; and we are not blind to the signs of the times.

The need of this time is not for an American Army to camp at the foot of Mount Ararat or to garrison the towns of Araby the Blest, but to serve as a reassuring and protecting force in American affairs, so that without Bolshevik interference American industry may proceed unchecked and American citizens may enjoy life, liberty and the pursuit of happiness with none to molest them or to make them afraid.

If You Like Home-made Bread

—and who don't?— TRY OURS!

You know how home-made bread should look and taste. You know how it should be made. Our loaf is made of plain bread ingredients. It is raised with plenty of compressed yeast, is light and nourishing—has a substantial slice and a real bread flavor. We solicit your Halloween order for our doughnuts. They are delicious.

ATTENDED DE VALERA MEETING THURSDAY

A large number from this city attended the meetings held at Springfield Thursday when Eamonn de Valera, president of the Irish republic, was given greeting by a large number of his fellow countrymen and other liberty loving people.

President de Valera first was entertained and spoke at the Mid-Day luncheon club at the Leland hotel. Then a pilgrimage was made to the tomb of Lincoln where de Valera and his party paid tribute to the Great Emancipator.

The principal meeting was held in the arsenal in the evening and was attended by a vast throng. The main address was given by Rev. James Gratton Mythen, an Episcopal minister of Norfolk, Va. Rev. Mythen is a direct descendant of the Great Grattan, who was a contemporary of O'Connell. His address was considered one of the finest ever heard in Springfield.

It is the wish of President de Valera that most of the addresses for the cause of Ireland in this country be made by American citizens. He is desirous that it be shown that Catholicism does not enter into the matter but that it simply is one of justice.

The committee from this city which assisted in receiving President de Valera and party was composed of Mayor Crabtree, John M. Butler, Thomas Duffner, Edward Keating, Capt. W. T. Harmon, Father Cahill and J. W. Clary.

DRAINAGE DISTRICT JURY SECURED

A jury was secured yesterday to hear the evidence in the suit relating to Indian Creek Drainage District No. 2. The jury includes William Thompson, Alfred Anderson, William Crum, John W. Leggett, John W. Baptist, M. A. Hulett, O. C. Coultas, George Diet-

rick, W. E. Smith, George W. Eads, C. A. Rowe and J. M. Allinson.

Judge Samuell adjourned court until Wednesday, October 29. The jury will hear testimony on objections to the assessment roll and subsequently will view the lands in the district which is now being organized. As already

stated, this district comprises about 6,200 acres of land, much of it in the northwest part of Morgan county.

ROTARY CLUB VARIED WEEKLY PROGRAM

After Friday Luncheon Made Inspection Trip to Norbury Sanatorium.

Members of the Rotary club varied the regular weekly luncheon program this week. After the luncheon had been served at the Pacific hotel members of the club accepted the invitation from Dr. A. H. Dollear and Vincent Riley to visit Maplecrest sanatorium. They drove to the sanatorium in cars and spent a half hour very pleasantly in looking thru the sanatorium and getting some idea of the completeness of the equipment. To most of the group it was the first visit to the sanatorium which is now one of the most important enterprises of Jacksonville.

At Maplecrest 70 patients are now being cared for and 45 or 50 are located at Maplewood sanatorium on South Diamond street. Seventy employees are constantly on the payroll. The number of patients cared for is only limited by capacity and as a matter of fact in order to meet the unusual conditions which have come about in the last year, many of the rooms originally intended for only one patient are now giving accommodations for two.

Maplecrest sanatorium represents the investment of a large amount of capital and even a visitor who does not view the plant with professional eye can see that money has been spent without stint to realize definite ideals in the matter of equipment and service.

The furnishings of the sanatorium are of the highest standard and the equipment the best known to science. Dr. F. P. Norbury, president and medical director of the sanatorium and Dr. A. H. Dollear are both alienists of wide renown. Mr. Riley after becoming associated in the enterprise, as business manager began to devote his time and thought unreservedly to the enterprise and the business of the Norbury Sanatorium Co., has developed in a gratifying way. A wall map in the office of the sanatorium shows that patients are cared for at the sanatorium from nearly every state in the union.

While it of course has been the thought and purpose to make the sanatorium a business success, anyone who knows Dr. Norbury, Dr. Dollear and Mr. Riley, realize that the achievement of business success is by no means the only purpose. To them to be able to carry on a sanatorium of this kind along the best lines known to the profession, to have housed in their sanatorium the best equipment that money can buy, means as much or more than the mere business success. However, under Mr. Riley's unfailing direction the sanatorium is a business success and it is a matter of general satisfaction in Jacksonville that the institution is located here as a permanent asset.

PECULIAR DECORATIONS

In the garage of Howard Zahn yesterday was stored a car labeled "Moon Specials" and the whole surface of the vehicle was adorned with yellow painted moons. During the great war that color would have been reprehensible but the dread conflict is past and now the color may be used in any manner that seems best.

PREPARING TO BUILD HARD ROAD

Here is good news for Morgan county people. A large force of engineers representing the state highway department is now busy laying out the hard road which will connect Springfield and Jacksonville. These workers were busy yesterday west of New Berlin and expect to reach Alexander by today. The route staked out brings the road thru the principal towns between Springfield and Jacksonville.

AUTO LOSES WHEEL

Yesterday as Otis Taylor of Litterberry was driving to the city, one of the wheels came off of his automobile and rolled into the ditch. Fortunately, Mr. Taylor was not driving fast at the time and no damage resulted.

H. A. Wright journeyed from Franklin to the city yesterday.

COW SALE HELD AT ALEXANDER FRIDAY

Twenty Two Head of Purebred Dairy Cows Disposed of by Gowin & Cloyd.

A sale of purebred dairy cows was held at the C. M. Strawn barn in Alexander at 2 o'clock Friday afternoon. Twenty two Holstein, Shorthorn and Jersey cows were sold, the total proceeds amounting to approximately \$2,300. The cows were the property of Gowin & Cloyd and the sale was conducted by C. M. Strawn as auctioneer, with E. R. Strawn as clerk. A few of the sales are quoted below:

Joseph Fager, New Berlin, 7 cows at an average of \$100.
Andrew Johnson, Jr., 1 cow, \$142.50.
James Dobyns, cow, \$117.50.

James Dobyns, cow, \$97.50.
William Mosely, cow, \$107.50.

JEWISH RELIEF DRIVE BEGINS SOON

Committees and Workers Will Enter Campaign in Earnest—County Quota is \$18,000.

With "Share" for their slogan several thousand American Jewish Relief workers in Illinois will launch their campaign for \$1,500,000 for relief of the millions of starving and destitute sufferers in the war-stricken countries of Eastern Europe, Sunday.

The opening gun of the campaign will be fired by several hundred ministers of all denominations in the churches of Illinois Sunday morning when appeals will be made to church-goers to "make their dollars buck the bread line of Eastern Europe" where six millions of people are dependent for their existence on the charity of America.

At sun-up tomorrow, county, town and township committees will begin the intensive work of raising the \$1,500,000 which is Illinois' quota of the \$35,000,000 fund necessary to save hundreds of thousands of women and children from death in 1920.

Jews and Gentiles are working side by side in this humanitarian drive. In many counties where there are only a few Jews the Gentiles have taken up the work. In some instances Catholic priests and ministers of other denominations leading the workers. Every committee has some Gentiles in its personnel.

Governor Lowden has appealed to the people of Illinois to "do their part in helping the Jews to relieve their perishing brethren in the East." In his proclamation issued at Springfield Governor Lowden said in part:

"In the great war just closed our Jewish citizens have taken a conspicuous part. They have given their lives on the battlefield. They have been among the most devoted workers at home. Not Jew alone, but Jew and Gentile alike have been the beneficiaries of their immense contribution to the winning of the war. They have measured up to their full duty in the war for humanity. Now, let humanity do its part in helping to relieve their perishing brethren in the East."

This county's quota is \$18,000. Local workers are confident this amount will be raised before the drive ends November 1.

CARL E. ROBINSON TO SPEAK AT WOODSON

Hon. Carl E. Robinson, state's attorney, will speak in behalf of the Jewish Relief Fund at Woodson Presbyterian church Sunday afternoon.

Dr. R. R. Jones asked Mr. Frisch for a speaker for Sunday afternoon and Mr. Robinson kindly consented to speak.

Ministers in every precinct in Morgan county are making arrangements to hold meetings in the interest of the drive. It is probable that all of them will arrange for meetings in their churches with able speakers to present the cause.

WATERPROOF COAT LOST

Lost Friday morning between Union North schoolhouse and the city a waterproof coat with name of S. W. Nichols on inside. Reward for leaving same at the Journal office.

POINT IS ONE OF THE MODERN SCHOOLS

Has Up-to-date Equipment and Bright Pupils—School is Supplied with Good Library.

The southwestern part of the county is redolent of the odors of Merrie England and Bonnie Scotland for from both the parts of the British Isles came many sturdy sons to bless this part of the country for they have ever been progressive, honorable, upright and capable people. Today their descendants do them honor also.

At the "Point," five and a half miles west of the city is the Point school taught by Miss Mabel Hanning who has in her charge as bright and interesting set of pupils as one could ask. The writer had the pleasure of a visit here yesterday morning and was cordially received. The schoolhouse is beside the church so they ought to be good anyhow and they seem to be. There are several noble trees on the lot and the building is strictly up to date in all respects. It is supplied with a good library; some maps that need replacing and other furniture good. From the walls the portraits of Washington and Lincoln look down complacently on the school and probably the directors will have some others hung as Miss Hanning said they were very good to get what was needed.

The visit was truly very enjoyable to the caller for he found a bright lot of pupils to address. In one thing they will have to be placed in the front rank and that is the matter of answering questions. The visitor put a number which he hardly supposed would be answered but they were. The talk was heard with respect and much interest. So much indeed that when some especially interesting picture was shown they crowded closely about to get a good view of it. They will also rank number one in answering questions which is always gratifying to the writer.

The wonders of the earth were described briefly and it is safe to say that last evening when the pupils went home they had several things to tell.

The directors of the school are Messrs. Joseph Wilson, R. G. Vasey and Charles Middleton. The pupils are:

Girls—Wilma Richardson, Gertrude Wilson, Gladys Tucker, Mildred Middleton, Pauline Smith, Melba Richardson, Virginia Vasey.

Boys—Robert Vasey, Charles Jwings, Thomas Owings, Homer Dickinson, George Vasey, George Wilson, Harry Smith, Russell Jwings, George Owings, Fred Tucker, David Seal.

NOTICE
All clothing and shoe stores will open at 8 a. m. and close at 5:30 p. m., excepting Saturdays, when they will close at 10 p. m., beginning Monday, Oct. 27.

W. R. C. INSPECTED

Yesterday afternoon Mrs. Clara Gregg, of Canton, Assistant Inspector of the Woman's Relief Corps, visited the city and inspected Matt Starr Corps in the hall on the south side of the square. A goodly number of ladies and Mrs. Gregg carefully inspected everything pertaining to the corps and was pleased to say that all was found in good order. The books, accounts, paraphernalia and all belongings were in good condition and reflected credit on the officers and members who so faithfully attend to their duties. Mrs. Gregg is a lady of charming personality and manners, cultivated and accomplished and one whom it is a pleasure to meet. The corps was also addressed by Capt. Lewis, superintendent of burial places of soldiers and sailors and was much pleased by the comrade's remarks.

While in the city Mrs. Gregg was very acceptably entertained by Mrs. J. C. Weber on East Court street.
